Subject: Deadline to Make Your Voice Heard--Midnight!

Today is your last chance to be heard!

The deadline for submitting your opinion to the Department of Justice is TODAY, January 28. If you have already sent in your opinion, we greatly appreciate your efforts. The provisions of the agreement are tough, but Microsoft believes the terms-which have met or gone beyond the findings of the Court of Appeals ruling-are reasonable and fair to all parties involved. This settlement represents the best opportunity for Microsoft and the industry to move forward. However, the settlement is not guaranteed until after the review ends and the District Court determines whether the terms are indeed in the public interest.

If you have not submitted your opinion on the agreement yet, please consider doing so right now. Many of Microsoft's competitors, as well as some of the Attorneys General who did not join the settlement, oppose the agreement and have worked hard during this review period to generate public comment urging that the settlement be rejected.

It is more important than ever that your voice be heard. In order to make a fair judgment, the DOJ must hear from everyone who has an opinion on this issue.

Please send your comments directly to the Department of Justice via email or fax today. If you have already done so, please be sure to send a signed copy to the FIN Mobilization Office, OR SIMPLY REPLY TO THIS EMAIL WITH A SHORT NOTE indicating that you have sent your letter. The Department of Justice will include all public comments in a report for the District Court to consider.

Once again, the Attorney General's contact information is:
